

Data Processing Addendum

Effective February 24, 2025

This Data Processing Addendum (“**DPA**”) is incorporated into and forms part of the Anthropic Commercial Terms of Service or other agreement between Customer and Anthropic that references this DPA and governs Customer’s use of the Services (the “**Agreement**”), and applies to Anthropic’s processing of Customer Data (defined below). Capitalized terms used but not otherwise defined in this DPA will have the meaning set forth in the Agreement. Anthropic may amend this DPA from time to time on reasonable notice to Customer to the extent such changes are required due to changes in Applicable Data Protection Laws. If there is any conflict between the terms of this DPA and the Agreement, the conflicting terms in this DPA will govern.

A. Definitions

A.1. “**Applicable Data Protection Laws**” means all applicable privacy or data protection laws and regulations relating to the processing of personal data, as may be amended from time to time.

A.2. “**Customer Personal Data**” means personal data submitted through the Services by or for Customer.

A.3. “**Customer Affiliate**” means any entity that (a) uses the Services pursuant to the Agreement, and (b) directly or indirectly controls, manages, or has direct or indirect ownership of the entity.

A.4. “**Customer Data**” means any data submitted through the Services by or for Customer.

A.5. **“Data Subject Request”** means a request from a data subject to exercise their personal data-related rights under Applicable Data Protection Laws, such as rights to access, correct, or delete their personal data.

A.6. **“GDPR”** means Regulation (EU) 2016/679.

A.7. **“Security Breach”** means a breach of Anthropic’s security leading to the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or unauthorized access to, Customer Personal Data.

A.8. **“Standard Contractual Clauses”** or **“SCCs”** means Module Two (controller to processor) or Module Three (processor to processor) of the Standard Contractual Clauses for the transfer of personal data to third countries pursuant to Regulation (EU) 2016/679 of the European Parliament and the Council approved by European Commission Implementing Decision (EU) 2021/914 of 4 June 2021, available at https://eurlex.europa.eu/eli/dec_impl/2021/914/oj.

A.9. **“Subprocessor”** means an entity engaged by Anthropic to process Customer Personal Data.

A.10. **“UK Addendum”** means the International Data Transfer Addendum to the SCCs, issued by the Information Commissioner under S119A(1) Data Protection Act 2018, available at <https://ico.org.uk/media2/migrated/4019538/international-data-transfer-agreement.pdf>).

A.11. The terms **“personal data”**, **“data subject”**, **“processing”**, **“controller”**, and **“processor”** as used in this DPA have the meanings given by Applicable Data Protection Laws or, absent any such meaning or law, by GDPR.

A.12. The terms **“controller”** and **“processor”** include **“business”**, and **“service provider”**, respectively, as required by Applicable Data Protection Laws.

B. Processing of Customer Data

B.1. With respect to Customer Data, Anthropic is Customer’s processor. Anthropic’s obligations under Applicable Data Protection Laws and the Customer Data Processing Addendum are set forth in the Customer Data Processing Addendum.

B.2. Unless required by applicable law, Anthropic will only process Customer Data for the purposes set forth in the Customer Data Processing Addendum.

and in compliance with Customer's documented instructions (including as set out in the Agreement and this DPA).

B.3. Without limiting the foregoing, Anthropic will not:

B.3.a. **“sell”** or **“share”** Customer Personal Data, as defined by Applicable Data Protection Laws;

B.3.b. retain, use, or disclose Customer Personal Data outside of the direct business relationship and for any purpose other than for the business purposes specified in Part B of Schedule 1 or as otherwise permitted by Applicable Data Protection Laws; and

B.3.c. except as otherwise permitted by Applicable Data Protection Laws, combine Customer Personal Data with personal data that Anthropic receives from or on behalf of another person or persons, or collects from its own interaction with the data subject.

B.4. As required under Applicable Data Protection Laws, Anthropic will promptly inform Customer if it makes a determination that it can no longer comply with its processing obligations under this DPA, in which case Customer may take reasonable and appropriate steps in accordance with the Agreement to stop or remediate any unauthorized processing of Customer Personal Data.

B.5. Anthropic will promptly inform Customer if, in its opinion, an instruction from Customer relating to the processing of Customer Personal Data violates Applicable Data Protection Law.

B.6. Anthropic will cooperate with and provide reasonable assistance to Customer for: (a) Customer's performance of any data protection impact assessment of the processing of Customer Personal Data by Anthropic; and (b) related consultation with supervisory authorities. Anthropic will also assist Customer reasonably considered under Applicable Data Protection Laws.

B.7. Anthropic will ensure that Customer Personal Data is subject to all

C. Subprocessors

C.1. Customer grants Anthropic the right to use Subprocessors listed in Schedule 1.

accordance with Section C.3. below.

C.2. Anthropic will: (a) enter into a contractual agreement with each Subprocessor imposing data protection obligations that are substantially as protective as Anthropic's obligations under this DPA to the extent applicable to the nature of the services provided by Subprocessor; and (b) remain liable to Customer for each Subprocessors' acts and omissions related to this DPA to the extent Anthropic is liable for its own, consistent with the limitation of liability provided in the Agreement.

C.3. In the event that Anthropic wishes to appoint an additional Subprocessor: (a) Anthropic will provide Customer reasonable notice of the new Subprocessor prior to giving the Subprocessor access to Customer Personal Data; and (b) Customer may, on the basis of reasonable data privacy or data security concerns, object to Anthropic's use of such Subprocessor by providing Anthropic with written notice of the objection within fifteen (15) days of the date of such notice, or Customer is deemed to consent to the new Subprocessor. In the event Customer objects to Anthropic's use of a new Subprocessor, Customer and Anthropic will work together in good faith to find a mutually acceptable resolution to address any objection raised by Customer.

D. Data Subject Requests

D.1. Anthropic will forward to Customer promptly any Data Subject Request received by Anthropic relating to the Customer Personal Data and may advise the Data Subject to submit their request directly to Customer.

D.2. Anthropic will, taking into account the nature of the processing, provide Customer with reasonable and timely assistance as necessary for Customer to fulfill its obligation under Applicable Data Protection Laws to respond to Data Subject Requests.

E. Security

E.1. Anthropic will comply with Applicable Data Protection Laws, and will implement technical and organizational measures to ensure a level of security for Personal Data) appropriate to the risk, as set forth in Schedule 2. Anthropic may update its security measures from time to time, but will ensure that such updates do not materially reduce the overall security of the Services.

E.2. The parties agree that the measures set out in Schedule 2 provide an appropriate level of security for the Customer Data (including the Customer Personal Data Data), accounting for the risks presented by the processing outlined in the Agreement and this DPA.

F. Compliance and Audits

F.1. Anthropic is audited annually against known, established industry standards performed by external auditors. Upon Customer's written request, and subject to the confidentiality obligations set forth in the Agreement, Anthropic will provide Customer with such audit reports or certificates applicable to the Services (e.g., SOC 2 report), to the extent available, or such other information reasonably necessary to demonstrate compliance with this DPA. Anthropic's current certifications are available for Customer's review at trust.anthropic.com.

F.2. Upon Customer's written request, Anthropic will permit Customer, at Customer's expense, to audit Anthropic's applicable controls and compliance with this DPA (an "**Audit**"), provided such Audit is (a) conducted by Customer or a third-party auditor designated by Customer that has executed an appropriate confidentiality agreement with Anthropic, (b) Customer and Anthropic mutually agree on reasonable details of the Audit, including the start date, scope and duration of, and security and confidentiality controls applicable to such audit, and (c) a similar Audit has not already been conducted less than twelve (12) months prior, unless there are indications of non-compliance and/or it is required by a supervisory authority or other regulatory authority responsible for the enforcement of Applicable Data Protection Laws.

F.3. Customer will pay any reasonably incurred costs and expenses incurred by Anthropic in the event Customer performs an Audit that is not (a) required by Applicable Data Protection L

F.4. Customer may use the results of Customer's regulatory audit to satisfy the requirements of the DPA

G. Security Breaches

G.1. Anthropic will notify Customer of a security breach of the Services in the event within 48 hours, after the breach is confirmed, and will assist Customer in complying with applicable data protection laws by reasonably cooperating with Customer's investigation of the

Security Breach. Anthropic's notification of, or response to, a Security Breach will not be construed as an acknowledgement by Anthropic of any fault or liability with respect to the Security Breach.

G.2. Upon becoming aware of a Security Breach, Anthropic will (a) investigate the Security Breach, and (b) provide timely information relating to the nature of the Security Breach, such as, where reasonably possible, the categories and approximate number of data subjects concerned and the categories and approximate number of Customer Personal Data records concerned, the likely consequences of the Security Breach, and the measures taken or proposed to be taken by Anthropic to address the Security Breach, including, where appropriate, measures to mitigate its possible adverse effects.

H. Deletion and Return

H.1. Within thirty (30) days of the date of termination or expiration of the Agreement, Anthropic will:

H.1.a. if requested to do so by Customer within that period, return a copy of all Customer Data in its control or possession or provide a self-service functionality allowing Customer to do the same; and

H.1.b. delete all copies of Customer Data (including Customer Personal Data) processed by Anthropic or any Subprocessors, except to the extent (i) Applicable Data Protection Laws or other applicable legal or regulatory requirements requires storage of the Customer Data, (ii) retention of the Customer Data by Anthropic is necessary to resolve a dispute between the parties, or (iii) retention of the Customer Data is necessary to combat harmful use of the Services.

I. Standard Contractual

I.1. The parties agree that, to Laws, the terms of the SCCs Three (processor to processor) DPA, are hereby incorporated by reference and will be deemed executed by the parties.

I.2. To the extent required by specific addenda to the SCCs by reference and will be deemed

I.3. To the extent that there is any conflict between the terms of this DPA, the Agreement, and the terms of the SCCs, the terms of the following documents will prevail (in order of precedence): (i) the SCCs; (ii) this DPA; and (iii) the Agreement.

I.4. Anthropic will provide Customer reasonable support to enable Customer's compliance with the requirements imposed on international transfers of Customer Personal Data. Anthropic will, upon Customer's request, provide information to Customer which is reasonably necessary for Customer to complete a transfer impact assessment to the extent required under Applicable Data Protection Laws.

Schedule 1 - Details of Processing and Transfers

A. List of Parties

The parties are set out in the preamble to this DPA. With regard to any transfers of Customer Personal Data falling within the scope of Applicable Data Protection Laws, additional information regarding the data exporter and data importer is set out below.

A.1. Data Exporter: The data exporter is the Customer and/or Customer Affiliates exporting Customer Personal Data to which GDPR applies. The data exporter's contact person's name, position and contact details as well as (if appointed) the data protection officer's name and contact details and (if relevant) the representative's contact details are included in the Agreement or will be disclosed to Anthropic upon request.

A.2. Data Importer: The data importer is the Anthropic entity that executed the Agreement. The data importer's contact person and contact details are included in the Agreement or will be disclosed to the Customer upon request.

B. Description of Processing

B.1. Categories of data subject to processing (as set forth in the Agreement).

B.2. Categories of personal data processed (as set forth in the Agreement).

B.3. Special categories of personal data processed (as set forth in the Agreement).

We use cookies to deliver and improve our services, analyze site usage, and if you agree, to customize or personalize your experience and market our services to you. You can read our Cookie Policy [here](#).

B.4. Duration and Frequency of the processing: The processing is performed on a continuous basis for the duration of the Agreement and is determined by Customer's configuration of the Services.

B.5. Subject matter and nature of the processing: Performing the Services on behalf of Customer which involves processing (including collection, storage, organization and structuring) of personal data as part of a natural language-based, machine-learning tool, as further described in the Agreement; verifying or maintaining the quality, security, and integrity of the Services; debugging to identify and repair errors that impair existing intended functionality.

B.6. Purpose(s) of the data transfer and further processing: To provide the Services to Customer pursuant to the Agreement and as may be further agreed upon by Customer and Anthropic.

B.7. Storage Limitation: The duration is the term of the Agreement.

B.8. Subprocessors (where applicable): May be used by Anthropic to assist in the provision of the Services (more details in Schedule 4).

C. Competent Supervisory Authority

Identify the competent supervisory authority/ies in accordance with clause 13 of the SCCs:

Where the data exporter is established in an EU Member State: The supervisory authority of the country in which the data exporter established is the competent authority.

Where the data exporter is not established in an EU Member State, but falls within the territorial scope of application of the GDPR in accordance with its Article 3(2) and has appointed a representative in the EU: The competent supervisory authority is the supervisory authority of the Member State in which the representative is established.

Where the data exporter is not established in an EU Member State, but falls within the territorial scope of application of the GDPR in accordance with its Article 3(2) without, however, having appointed a representative in the EU: The competent supervisory authority is the supervisory authority of Ireland.

Schedule 2 - Technical and

Anthropic has implemented and will maintain technical and organizational measures designed in accordance with industry standard practices to protect the security, confidentiality, and integrity of the Customer Data, as set out below. Anthropic may review and update these measures from time to time, provided that any such update will not materially diminish the overall security of the Customer Data during the term of the Agreement. Additional information about Anthropic's information security program can be found at <https://trust.anthropic.com>.

A. Security Program and Policies

A.1. Anthropic maintains organizational management and dedicated staff responsible for the development, implementation, and maintenance of Anthropic's information security program, and a qualified security team of a size sufficient to ensure compliance with this DPA.

A.2. Anthropic's operational procedures and controls define physical, technical, and administrative safeguards that provide for the configuration, monitoring and maintenance of technology and information systems that process Customer Data according to prescribed internal and adopted industry standards.

A.3. Anthropic's change management procedures and tracking mechanisms are designed to test, approve, and monitor all changes to Anthropic's technology and information assets that process Customer Data.

A.4. Anthropic's business resiliency and continuity plan and procedures are tested annually and designed to maintain service availability and enable recovery from emergency situations or disasters.

A.5. Anthropic's network security controls provide for appropriate network traffic filtering, segmentation, and incident response procedures designed to protect against potential security compromise.

A.6. Anthropic maintains a risk assessment that is communicated and distributed to all employees.

E. Encryption Standards

Anthropic utilizes industry standard encryption methods for protection of Customer Data, including a minimum of AES-256 for data at rest, and TLS1.2+ for data in transit over public networks.

F. Endpoint Protection

All Anthropic personnel workstations, and cloud endpoints (where applicable), are protected via EDR (endpoint detection and response) systems that include, but are not limited to: (a) anti-virus and anti-malware protections; (b) active real-time system monitoring; and (c) alerting to internal security teams.

G. Vulnerability Management

G.1. Anthropic's vulnerability assessment, patch management, threat protection technologies, and scheduled monitoring procedures are designed to identify, assess, mitigate, and protect against identified security threats, viruses, and other malicious code. Anthropic utilizes a multi-faceted approach to vulnerability management, including: automated code vulnerability scanning; automated artifact vulnerability scanning; automated code review; manual peer code review; endpoint detection and response; automated log analysis; and manual log analysis.

G.2. Anthropic engages qualified external assessors for the completion of annual penetration testing of systems that process Customer Data to identify vulnerabilities and attack vectors that can be used to exploit those systems, and identified vulnerabilities are management program. C.1.b. This Addendum will be read and interpreted in the light of the provisions of Swiss Data Protection Laws, and so that it fulfills the intention for it to provide the appropriate safeguards as required by Article 46 GDPR and/or Article 6(2)(a) of the Swiss Data Protection Laws, as the case may be.

C.1.c. This Addendum will not be interpreted in a way that conflicts with rights and obligations provided for in Swiss Data Protection Laws.

C.1.d. Any references to legislation (or specific provisions of legislation) means that legislation (or specific provision) as it may change over time. This includes where that legislation (or specific provision) has been consolidated, re-enacted and/or replaced after this Addendum has been entered into.

C.2. Hierarchy In the event of a conflict or inconsistency between this Addendum and the provisions of the Clauses or other related agreements between the parties, existing at the time this Addendum is agreed or entered into thereafter, the provisions which provide the most protection to data subjects will prevail.

C.3. Incorporation of the Clauses

C.3.a. In relation to any processing of personal data subject to Swiss Data Protection Laws or to both Swiss Data Protection Laws and the GDPR, this Addendum amends the DPA the Standard Contractual Clauses to the extent necessary so they operate:

C.3.a.i. for transfers made by the data exporter to the data importer, to the extent that Swiss Data Protection Laws or Swiss Data Protection Laws and the GDPR apply to the data exporter's processing when making that transfer; and

C.3.a.ii. to provide appropriate safeguards for the transfers in accordance with Article 46 of the GDPR and/or Article 6(2)(a) of the Swiss Data Protection Laws as the case may be.
